Details and dimensions are approximate; therefore we advise no pre-drilling to fit products before delivery. BRITOCLEAN will not be held liable for fitting issues that arise if drilling is attempted before the product is received.

6. PAYMENT TERMS

If the buyer fails to comply strictly with the company's terms the company shall be entitled to cancel the contract or suspend any further deliveries to the buyer. 7. PROPERTY RIGHTS

Until BRITOCLEAN has received full payment for goods the goods will remain the exclusive property of BRITOCLEAN.

8. COMPANY'S LIABILITY

- 8.1 Nothing in these terms shall exclude or restrict the company's liability.
- For death or personal injury resulting from the company's negligence.
 - For fraud or fraudulent misrepresentation.
 - Under section 2 (3) Consumer Protection Act 1987 or for any matter for which it would be illegal for the company to exclude or attempt to exclude its liability.

8.2 The company warrants that, subject to the other provisions of these terms, upon delivery:

- The goods will be of good materials and workmanship.
- The goods will be reasonably fit for any particular purpose for which the goods are being bought, if the buyer had made known that purpose to the company in writing and a person authorised to sign on behalf of the company has confirmed in writing that it is reasonable for the buyer to rely on the skill and judgement of the company.

8.3 In this clause "the defect" shall mean the condition and/or any attribute of the goods and/or any condition or circumstance arising from any service provided by the company and/or any other circumstances which but for the effect of these conditions would have entitled the buyer to damages.

- Unless the defect is discovered within 7 days of the date of delivery and the company is given written notice of the defect within 7 days of it being discovered.
- The buyer makes any further use of the goods after giving notice of the defect to the company.
- If the buyer fails to adhere to the terms of payment set out in the terms.
- Unless after discovery of the defect the company is given a reasonable opportunity to inspect the goods before they are used, fixed or interfered with in any way and the buyer (if asked to do so by the company) returns such goods to the company's premises at the buyer's cost for the examination to take place there. If, following such inspection by the company, the company accepts that the goods do have a defect the company shall refund to the buyer the reasonable cost incurred in returning such goods to the company. It is acknowledged that the costs of suspending works are relevant to the determination of what is a reasonable opportunity and this clause shall not apply to any works affecting the goods which it may be reasonably necessary to carry out in the interests of safety and/or as emergency measures) If the defect arises as a result of the goods being used for a purpose other than that specified to or by the company.
- If the defect arises from fair wear and tear.
